

# What to pack for camp

- Twin sheets
  - Pillow
  - Sleeping Bag/Blankets/Comforter
  - Towels (Both for swimming and showering)
  - Hygiene supplies, shower supplies, haircare
  - Prescription Meds (Please send all medication in original bottles clearly labeled with the camper's name and time medication should be taken.)
  - Shorts
  - Tshirts/Tanks
    - Logos should be appropriate for camp so no drugs/alcohol references, please
  - Pajamas
  - Rain poncho or jacket, in case of rain
  - Bathing Suit
    - Your suit should be designed for active play in the water without concerns of becoming uncomfortable
    - Any swimsuits with ties must be double-knotted
    - Two pieces are acceptable
    - No speedos for anyone
  - Closed toed shoes (Sneakers are necessary for the climbing wall. Keens or Crocs are fine in the evenings)
  - Sandals (we recommend sandals with straps)
  - Flip flops or shower shoes
  - Nicer outfit for banquet nights (In the past, many people prefer a polo shirt and chinos, sundresses, rompers, etc.)
  - Drawstring Bag/Fanny Pack. (You will need to carry your water bottle, sunscreen, etc everywhere)
  - At least one water bottle (We suggest a Nalgene or Hydroflask style water bottle that will not break when inevitably dropped - if your child forgets or loses their water bottle, we will provide them with one from our camp store and charge your UltraCamp account for \$15)
  - Sunscreen
  - Bugspray
  - Flashlight
- \*If we feel like a camper's clothing is inappropriate for an activity or any other reason, we may ask them to change. Sending a couple of extra outfits is recommended.

### **Not mandated but might be helpful:**

- Bible
- Musical Instruments - we'd love to have you join our music team for worship!
- Books- Great time for you to get some reading in!
- Stationary/pre-addressed envelopes/stamps
- Life vest or jacket - must be US Coast Guard approved in order to be used in the water

### **What you DON'T need:**

- OTC Meds- We have them all and they'll be available to campers if needed
- Alcohol
- Nicotine/Vapes/Marijuana
- Technology - your child should not bring a cellphone, iPad, computer, etc. If they do have one at camp, the Director will keep it safe and locked up for the camp session
